The 2014 Monarch Butterfly Tag & Release at DHM drew impressive attendance despite the threat of unsatisfactory weather conditions.

Among many of our regular visitors again this year was Ms. Janet Paeden from Newcastle, Ontario, a former WW2 War veteran and wireless operator. Her fiancée at the time was among members of a bomber crew that were lost over the Himalayans. Janet turned 97, June 8th this year.

PHDHS [former EDHS] is pleased to have the support of the following business members

Another season has passed at Dorothy's House Museum and we did have some visitors, and donations of artifacts which we have placed on display.

Our yard sale was financially successful again this year as noted in our last newsletter. Thanks to all the volunteers who helped out. Without your help it would not be feasible make this work. Volunteers are the crucial element in society.

The Fifth Annual Monarch Butterfly Tag and Release was held on Saturday, August 23, 2014 and we were pleased to have a large number of visitors, both young and old. Thankfully the weather, threatening rain during the morning managed to deliver some sunshine by afternoon.

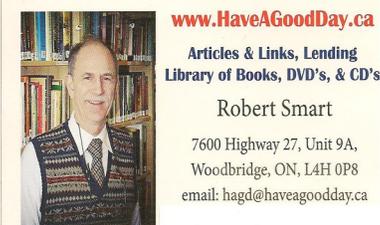

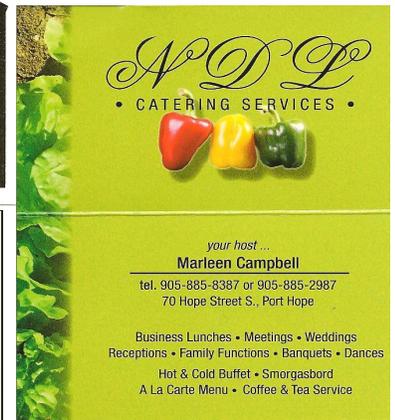

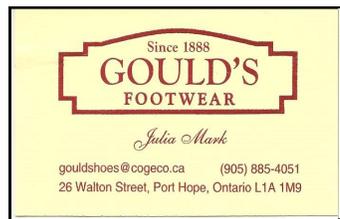

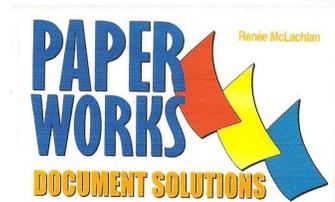

A special "Thank You" to Don Davis, a specialist in several fields, but more so in the field of butterflies, for his knowledge and generous support every year to Tag & Release the Monarchs for our visitor's pleasure. Don is very active and committed to protecting this beautiful species.

Once again, many thanks to all the volunteers who helped during the day to make the yearly event a success. It was very much appreciated. Also, I want to thank all volunteers who took the time out to help at the PHDHS booth at the Port Hope Fall Fair on September 12-14, 2014. Many thanks!

The Society is very pleased to welcome a new business member and community namesake — Port Hope Archives.

Thank you everyone! See you next summer at Dorothy's House Museum.
